Dear Chamber Members:

We are pleased to once again, produce your Chamber of Commerce Membership Business Directory. The directory is a great marketing tool for your business. We produce 1200 directories. The directory is a finger tip tool for locating service providers in our area. New residents are provided a directory as part of their relocation packets. They are also dispersed in tourism kiosks throughout the state and used locally throughout all our communities by business owners and community members.

Please indicate the size of advertisement you would like to place in the **2024 Central Aroostook Chamber of Commerce Membership Directory**.

We require artwork to include your advertisement in this publication. The deadline for artwork is **November 3, 2023**.
